

# Couldn't Sleep *Music by Amanda Kay/Words by Erika*

*Van Zyl*

Intro

1<sup>st</sup> Verse

**F#m C#m E D F#m**  
**F#m C#m D**  
As I lie here floating half asleep at night  
**E F#m**  
My spirit on a silver chord takes flight  
**C#m D**  
Rushing over roof tops at incredible speed  
**E F#m**  
Drawn to you through inexplicable need  
**F#m C#m D**  
Drawn to you through Inescapable fears  
**E F#m**  
Searching for you through a mist of my tears  
**C#m E**  
On angels wings through time and space  
**D F#m**  
Till I find you, and gently touch your face

2<sup>nd</sup> Verse

**F#m C#m D**  
If you have felt my lips softly kiss yours and  
**E F#m**  
You have felt that compelling force  
**C#m D**  
If you have felt my love shining all around you  
**E F#m**  
It's only me as I search for my truth  
**C#m E D F#m**  
There's no need to wonder it's only me, I couldn't sleep

Chorus

(Same as 2<sup>nd</sup> Verse  
till end)

3<sup>rd</sup> Verse

I needed so much to see you again  
Even if it's only on an astral plain  
Sorry if I startled you from sleep  
It's only me as I made a quantum leap  
There's no need to wonder it's only me  
I couldn't sleep

Chorus

4<sup>th</sup> Verse

If you see a silvery swirling vision  
Feel my breath on your skin  
It's only me coming to you in silence  
Playing a miss you game no one wins  
There's no need to wonder it's only me  
I couldn't sleep

Chorus

Tempo: 100/min (4/4)

Song length: 3'54"
