1st Verse

A^{add9} **A$^{7add\ 9}$ A$^{6add\ 9}$ A$^{add\ 9}$**
As the burden of being a stran - ger grows
C^{maj7}
I follow the path with my heals and toes
A^{add9} **A$^{7add\ 9}$ A$^{6add\ 9}$ A$^{add\ 9}$**
To take a journey to where I know not
C^{maj7}
I just put my head down and off I trot

Chorus

Em **G^{6}**
I had a map drawn that I could follow
B **G^{6}**
But tracing that path only led to sorrow
Em **G^{6}**
Now my plans ahead are few
B **G^{6}**
As dreams can't always come true

2nd Verse

There was fire and passion now tempered by fear
Jump into the melding pot return with a sneer
To take life's adventures and shape it with your hopes
Only society is what it is with anchors chains and ropes

Chorus

Bridge

A^{maj7}
I run from being close
C^{maj7}
I chose to be aloft
A^{maj7}
Though it's a sad and lonely life
F^{maj7}
It comes at quite a cost

Chorus
