

# I Want To Share My Orgasms With You

*by Amanda Kay*

1<sup>st</sup> Verse

**F<sup>add9</sup>**                      **Am**      **C**  
 Lay down beside me I want to know you  
**F<sup>add9</sup>**                                      **Am**      **G**  
 Feel your admiration and other parts too  
**F<sup>add9</sup>**                      **Am**      **C**  
 I like believing I'm someone special  
**F<sup>add9</sup>**                                      **Am**      **G**  
 Can you show you believe it too?

Chorus

**C**              **F<sup>maj7</sup>** **Dm**      **G<sup>7</sup>**  
 Why do I feel happy or sad  
                     **C**              **F<sup>maj7</sup>** **Dm**      **G** **G<sup>12</sup>** (hammer on D, and 4)  
 Why do I get angry too?  
**C**              **F<sup>maj7</sup>** **Dm**      **G<sup>7</sup>**  
 Can you help me free my passion?  
                     **C**                                      **F<sup>maj7</sup>**                      **C**  
 I want to share my orgasms with you

2<sup>nd</sup> Verse

**F<sup>add9</sup>**                                      **Am**      **C**  
 Are you out there unnoticed, are you waiting for me?  
**F<sup>add9</sup>**                                      **Am**      **G**  
 Are you going to find a way?  
**F<sup>add9</sup>**                                      **Am**      **C**  
 Flyin' away on dreams of tomorrow  
                     **F<sup>add9</sup>**                                      **Am**      **G**  
 Not looking out for today

Chorus  
 3<sup>rd</sup> Verse

**F<sup>add9</sup>**                                      **Am**      **C**  
 Some days my guitar is the only one who knows me  
                     **F<sup>add9</sup>**                                      **Am**      **G**  
 It's got more patients than anyone I know  
**F<sup>add9</sup>**                                      **Am**      **C**  
 Right now I need love and affection  
**F<sup>add9</sup>**                                      **Am**      **G**  
 There's some things my guitar just can't do

Chorus  
 Outro

**F<sup>add9</sup>**      **Am C**  
**F<sup>add9</sup>**      **Am G**  
**G**              **C**
