

## In Memory *by Amanda Kay*

1<sup>st</sup> Verse

**Dm C Am Dm**  
Goodbye, it's been a while  
**Dm C Am**  
Since I last saw your face  
**Dm C Am Dm**  
But I clearly remember your smile  
**Dm C Am**  
It brightened up the everyday

Chorus

**Em<sup>7</sup> Bm<sup>sus4</sup>**  
Blue sky, bright sands and your weather beaten look  
**Em<sup>7</sup> Bm<sup>sus4</sup>**  
Dry hot sun, the thirst for shade and your calm, clear gaze

2<sup>nd</sup> Verse

Gracefully helping others  
When you saw them wanting  
Laughing as you look up from a book  
That you were reading

Chorus  
3<sup>rd</sup> Verse

Laughter just tickling the corners of your mouth  
As if a joke is on your mind  
I'll remember you as one of life's adventurers  
Who found peace inside themselves, if only for a while

Chorus (instr)  
Repeat 1<sup>st</sup> verse
