D D^{addF} D D^{addF} C Em
Just thinking about it makes me uneasy

Chorus

F E⁷
Why can't I be ...over it?
F E⁷
I've got a passion that won't quit
F E⁷
I find it hard to sleep
F E⁷
Remembering makes me weep

2nd Verse

Little things in everyday remind me of you
You know what you did would hurt me too
How could you be so unkind, how could this help
Your way to fix a problem was put it on a shelf

Chorus

3rd Verse

Why leave me out of it, did you think it okay
By not allowing me to chose and pick the safest way
Be responsible for your actions, don't lie to me
Do you understand the truth will set you free?

Chorus

Repeat till fade

Why can't I be ...over it?
I've got a passion that won't quit
