1st Verse

C F C G C F C G⁷
I love playing with musicians and you know it
C F C G C F C G⁷
Even though I don't often show it
C F C G C F C G⁷
Moving and flirting alone on the dance floor
C F C G C F C G⁷
People I meet are always looking for more

Chorus

F C C^{maj7} C C^{maj7}
Why do you look at me that way?
F G
You're a master of this game we play
F C C^{maj7} C C^{maj7}
I see pain buried deep in your eyes
F G
I had not known I can't see inside

2nd Verse

I thought I wasn't good enough I was totally low
That's when you left you said you must go
You watched it all happen you saw it go through
I want to know is this the truth for you?

Chorus

3rd Verse

You can tell me your story
And I will tell you mine
It will be totally different
Though we shared the same space and time

Chorus
