

Then Along Came John *by Amanda Kay*

1st Verse

G
Just gliding down the road
G
Looking for a soul to share the stone
C
But then along came John
G
And he wasn't going home
D
And he wasn't going home
C
He wanted to party
G **D**
Have it going on

2nd Verse

Went down town, to my favourite bar
Full of happy people, trying to be a star
Then along came John
With his great big bong
He wanted to party
Have it going on

3rd Verse

Then there's Dan, he's got a plan
He's looking for a woman for a one night stand
Then along came John
Dropped out his big shlong
He wanted to party
Have it going on

4th Verse

You all know how to party
Well we do too
We're here rocking cause its what we do
Then along came John
To laugh and sing our song
He wanted to party
Have it going on

5th Verse

Well Johns our friend, he likes a beer or two
Why not join him and have a few
Yes a beer with John
Why not share a bong
He knows how to party
He's got it going on
