I'm in love with a challenging man
D#m
I'd like to take him into hand

He has morals that are loose

Can I find some kind of truce?

F#m
Words like magic flow from his lips

It's upon his actions that he trips

Charms with words dipped in honey

Want him badly I don't know why
F#m B⁷
Knowing that wont stop my cries
F#m B⁷
His passionate nature ability to dream

That's why I love him and I'm still keen
