

Where Did It Go? by Amanda Kay

1st Verse

G# **F#**
Where is the wind that used to fill my sails, *It's lost it's lost*
G# **F#**
Where is the rush that used to pump my heart, *It's lost it's lost*
B **F#m**
What happened to the zest the passion and the drive *It's lost its lost*
B **F#m**
A new determination must be reached

Chorus

E **A7**
The battery feels flat
E7 **A7**
I've got no charge left
E **A7**
Where did it go?
E **B7**
Why can't I find it?

2nd Verse

Catch it while you can and harness it with your strength
Feel your power feel your power
The drive of your imagination is a grand thing
Feel your power feel your power
Rely on your feelings, be not afraid
Feel your power feel your power
Jump, jump into the fire and burn away the memories
Feel your power feel your power

Chorus
3rd Verse

Heat tempers the fiercest of blades
Be Brave Be Brave
To feel and not fear feeling hurt again
Be Brave Be Brave
Others worries they are they're own
Be Brave Be Brave
Caring for your own self is the duty of us all
Be Brave Be Brave
